Akismet Anti-Spam

Akismet checks your comments and contact form submissions against our global database of spam to prevent your site from publishing malicious content. You can review the comment spam it catches on your blog's "Comments" admin screen.

CONTACT FORM

Contact Form 7

Contact Form 7 can manage multiple contact forms, plus you can customize the form and the mail contents flexibly with simple markup. The form supports Ajax-powered submitting, CAPTCHA, Akismet spam filtering and so on.

Really Simple SSL

Really Simple SSL automatically detects your settings and configures your website to run over https. To keep it lightweight, the options are kept to a minimum. The entire site will move to SSL.

Sucuri Security

The Sucuri Security WordPress plugin is free to all WordPress users. It is a security suite meant to complement your existing security posture. Sucuri Inc. is a globally recognized authority in all matters related to website security, with specialization in WordPress Security.

Smush

Resize, optimize, optimise and compress all of your images with the incredibly powerful and 100% free WordPress image smusher, brought to you by the superteam at WPMU DEV!

WP Fastest Cache

Setup of this plugin is so easy. You don't need to modify the .htaccess file. It will be modified automatically.

AddToAny Share Buttons

The AddToAny Share Buttons plugin for WordPress increases traffic & engagement by helping people share your posts and pages to any service. Services include Facebook, Twitter, Pinterest, Google, WhatsApp, LinkedIn, Tumblr, Reddit, and over 100 more sharing and social media sites & apps.

Google Analytics (GADWP)

This Google Analytics for WordPress plugin enables you to track your site using the latest Google Analytics tracking code and allows you to view key Google Analytics stats in your WordPress install.

WPS Hide Login

WPS hide login allow you to change the login panel url. It helps you to protect your website and make one layer extra security.

I officially recommend you to use this plugin to save your website from hackers.

Ultimate Nofollow

This plugin contains several tools in one package to significantly increase your control of the rel="nofollow" tag on every link on your blog, on both an individual and categorical basis. It is designed to give you fine-grained control of linking for SEO purposes.

Better Click To Tweet

BETTER
**CLICK
TO
TWEET**

THE MOST POPULAR CLICK TO TWEET PLUGIN FOR WORDPRESS (BY A MILE), FOR GOOD REASON.

Create tweetable content for your readers, using a simple shortcode or Gutenberg block. Readers are encouraged to tweet out both a quote, and a link to your content.
